

Eleanor Verstraete (Educational Assistant)

This is Mrs. V's fourth year at BCA as an Educational Assistant. While having a background in Marketing, she became passionate about education after having a child with special needs and successfully navigating the school system. Mrs. V worked at TDSB for 10 years with grades K-12 and specialized in behavioural and DD classes. She then worked at Willowdale Christian School as an EA for 3 years before making a big move to Cambridge from Toronto. She is enjoying the tranquil community with her 3 children Chanel, Carter, Madden, and her husband. She enjoys watching hockey with her family who all support a different team in the NHL.

You can't spell

TEAM

without an EA.
