

## Michelle Collier (Grade 5)

Michelle joined the BCA teaching team in 2010 and is excited to continue her role this year as the Grade 5 homeroom teacher. Her dramatic flair and enthusiastic personality bring energy into her lessons as the subject teacher for Language Arts, Bible, and Social Studies for both Grades 4 and 5. In addition to teaching, Michelle is also on our social media team. We are looking forward to her creativity on sharing life at BCA on our social media platforms.

Michelle has an Honours BA in Religious Studies and Communication Studies from McMaster University and completed her Bachelor of Education at Brock University. She enjoys spending time with her family, reading, baking, and musical theatre.
