## *Is it time for Kindergarten?*

Then consider a school that offers a balance of strong academic programming with inquiry-based learning.

At **Burlington Christian Academy**, your child will learn and grow in a safe, loving, nurturing Christian environment.

Students in our Kindergarten Program experience many learning opportunities beyond standard curriculum expectations, including *Weekly French Instruction, Trips to a local farm, Gymnastics, Ice Skating and many more!*

You and your children are invited to join us for the morning in our Kindergarten classroom where you will meet the Kindergarten teachers, hear from parents, and learn more about the outstanding programs Burlington Christian Academy has to offer.
