

Josie Burgess (Educational Assistant)

This is Josie's fourth year at BCA as an Educational Assistant. She has a BAsC in Child, Youth & Family from the University of Guelph and experience working with children through camps, drop-in programs, schools and tutoring. Josie enjoys her role as an EA because it allows her to support students individually to help them see and reach their full potential. In her free time, she enjoys photography, kayaking, serving at her church, travelling, and playing the ukulele.

You can't spell

TEAM

without an EA.
