Dear BCA Families,

Thanksgiving is always a great time of the year as we enjoy time with family and thank God for all the blessings from the past year. I am so thankful we are back to a more normal school environment, with opportunities to interact with each other daily. We have been blessed with warm fall weather and the children have enjoyed the many activities and the leaves are just now beginning to turn colour. A visitor to the school this past week could not stop commenting on how beautiful our campus was. We are truly blessed.

The senior classes (grade 6-8) were excited to be able to participate once again in the annual BCA campout a week ago. Sports teams and clubs have begun and we are hoping to add more as the year progresses. Our soccer teams participated in a local tournament this past week and the cross-country team is looking forward to their competition in Kitchener later this week. Mr. Kudera has started a photography club and the students are getting some great pictures for our website and other media outlets.

Tuesday pizza days and Friday snack days are well under way, our PTA has been very busy and has great events planned for you that include movie nights and guest speakers for the next couple of months. All school chapels are every Monday morning and parents are welcome to join us, we have a special row for you at the back. Once again there will be different guest speakers and the individual classes will be presenting throughout the year.

We have a very busy month coming up so please have a look at the upcoming events and make sure you place them on your family calendars.

Upcoming Events:

October 7 - JK-Grade 3 field trip to Andrews Farm

October 10 – Thanksgiving Day

October 11 & 12 – PTA fundraiser – Bring in old Electronics
