

Kailey Fisher (Educational Assistant/JK & SK Phys-Ed)

This is Kailey's second year at BCA. She has a BA (Hons) in Sociology from Queen's University, and recently earned her Postgraduate Certificate in Primary Education from Cardiff Metropolitan University in Wales, UK. Kailey's heart is for working with and developing youth, which began during her many summers spent serving on staff at Muskoka Woods. Kailey is thrilled to return back to BCA after spending time living and studying in the United Kingdom. Kailey is passionate about the fact that all children have a right to learn and belong within the classroom, which is what makes her especially excited about her current role as an educational assistant and kindergarten gym teacher since it provides two incredible opportunities to support students as they develop. When she is not at BCA, Kailey can often be found catching up with friends over a cup of coffee or out on a walk with her labrador retriever.
